A Message from Mayor Mel Lastman

It is my pleasure to extend greetings and warmest wishes to everyone attending the inauguration of the Africanadian Mediation and Community Services (AMCS) organization.

AMCS is a charitable organization dedicated to providing mediators and communicators who are trained in the process of mediation and problem solving to help resolve interpersonal conflicts within the African/Caribbean communities. You are to be commended for your hard work and commitment in making the Africanadian Mediation and Community Services possible. You can feel extremely proud knowing your contribution has made a real difference in many lives and our City a better place.

On behalf of Toronto Council and the 2.5 million people of our great City, I congratulate and thank the organizing committee and many volunteers responsible for this wonderful inaugural event. Best wishes to everyone for an enjoyable evening and continued success.

Cordially,

Mel Lastman
Mayor
