Dear Mr. Edoh,

We, at the Consulate of Trinidad and Tobago enthusiastically welcome the creation of such a relevant organization as the A.M.C.S. since it will have a very positive impact on the black community.

Your initiatives target pertinent areas of concern, such as dispute resolution, social integration, employment and training resources and youth enhancement, which provide critical support for the black and ethnic community. I am certain that the Trinidad and Tobago community can benefit from your services. It is evident that social uplift is at the core of your mandate, and from this beginning we can look forward to a very promising future.

I would like to extend my best wishes to you and the members of the Africanadian Mediation and Community Services, and congratulate you on this undertaking. It would be an honor to accept the invitation to your opening celebrations on the 28th of September 2002, and an even greater honor to play a part in supporting your success.

Yours Sincerely

Vernetta Calvin- Smith
Consul General
